WHAT WE DO

- Serve as a matchmaker between Vanderbilt and foundations and corporations that may provide support to our faculty and programs
- Work closely with faculty and leadership to
 - Identify funding opportunities that fit well with faculty interests
 - Facilitate submission of grants through proposal development support and navigating institutional processes
 - Cultivate strong collaborative relationships with potential funders
 - Enhance ability to compete successfully for funding
- Engage with leadership to develop an institutional strategy that will result in greater philanthropy for Vanderbilt
- Facilitate Limited Submission Opportunities
 - Prestigious awards and grants for which the institution may nominate only one or several applicants annually
- Coordinate stewardship efforts to foundations and corporations on behalf of the researcher
